SHIVAHARISHA M S

COMPUTER SCIENCE STUDENT

📞 +91 9360747396   ✉ shivaharisha.m@gmail.com

EDUCATION

Bachelor of Computer Science

PSGR Krishnammal College for Women

2023- 2026

SKILLS

Python
MySQL
Excel
Power BI
Canva

CERTIFIFCATION

Python

HOBBIES

Painting
Baking
Dance

PROFILE

Proactive Computer Science student with a strong interest in data analytics. Recognized for excellence in enthusiastic performance. Passionate about exploring data-driven tech solutions and eager to contribute to impactful projects.

PROJECTS

- Created a comprehensive **Power BI** dashboard using healthcare datasets, improving data visibility and enabling actionable insights for healthcare trends and operational efficiency.
- Developed a **database management system** for an insurance management platform that connects policy holders with insurance providers. This system acts as a centralized hub where individuals can register their insurance policies, manage claims, and track their coverage details and payment history.

ACHIEVEMENTS

- 2nd Place – GenAI x Gender Tech Hackathon, Amrita Vishwa Vidyapeetham
- 3rd Prize – Compile Clash, PSGR Krishnammal College for Women
- Recognized for enthusiastic performance – PSGR Krishnammal College
- Participated in International Conferences – NGP College & KPR College, Coimbatore
- Active MUN participant – Chettinad Vidya Mandir, Karur

INTERNSHIP

Gained hands-on experience during a technical **internship** by studying the restaurant's **billing and POS system**, including its software architecture, data flow, and user interface.
